

# Millennial Mindset Course Outline

---

## Introduction

China and her relationship to the world has changed a lot in the last two years. Young Chinese going overseas to study have a very different mindset and the China they will return to is very different to what it was five years ago. In 2020 the impact of Covid-19 on student ministry has been the greatest concern, but changes in the Chinese world will have far reaching influence on ministry to Chinese people in the years to come. This short course will unpack and explain some of the context and underlying issues that influence the worldview of those born around the year 2000.

## What is the Chinese Millennial Mindset?

- Scenarios you may have faced
- China's Generation N: the young nationalists who have Beijing's back
- Interview with a Chinese Millennial in Australia

## The Chinese Context

- Understanding the historical context
- Understanding the cultural and worldview context

## Implications

- What we can learn from the "China 14 grievances with Australia" document
- Implications for relationships and ministry today
